

SCHROCK™ WARRANTY SHEET

LIFETIME LIMITED WARRANTY

Schrock™ Cabinetry warrants the original consumer purchaser for as long as they own their home that the Schrock Cabinetry products will be free from defects in material and workmanship under normal use. This warranty is only applicable to products used in residential applications within the United States and is not transferable to subsequent owners.

Should defects in material or workmanship exist during the applicable warranty period in any Schrock Cabinetry product, Schrock Cabinetry will elect at its discretion to either repair or replace the defective material or component, free of charge. This warranty covers only parts and materials of the products supplied by Schrock Cabinetry. Not covered under this warranty are counter tops, appliances, plumbing fixtures, etc. or the costs, including labor, to remove and reinstall materials and related components such as fittings, appliances, etc.

This warranty shall become void if the cabinets are in any way modified, improperly installed or damaged prior to or during the installation. Furthermore, this warranty will not apply to cabinets damaged by misuse, neglect, abuse, acts of God, exposure to moisture, exposure to extreme temperatures or the effects of normal wear and tear.

Natural woods may vary in color, characteristics and exhibit subtle changes as they age. For example, white painted face frames may eventually have visible cracking around the joint area and cabinet colors may darken or lighten over time. Sunlight, smoke, household cleaners and other environmental conditions may also affect the color match over time. These variations are considered to be the nature of the material in relation to their environmental exposure and are not covered by this warranty.

Schrock Cabinetry reserves the right to alter design, specifications and material without obligation to make similar changes to products previously manufactured.

The repair(s) or replacement(s) are contingent upon the current product offerings of styles and construction options within the Schrock Cabinetry products at the time of the warranty claim. If a warranty claim is filed after a Schrock Cabinetry product becomes obsolete; Schrock Cabinetry reserves the right to honor the warranty in one of the following fashions:

1. To replace the affected component of the same style.
2. To replace the affected component and any other component(s) in the residential application to achieve a uniform appearance with a similar and comparable product style of the originally purchased style.

If components are replaced, Schrock Cabinetry cannot guarantee that the finish of these replacements will exactly match the finish and appearance of the components in the residential application. This is due to the changes that occur during the woods' natural aging process, affecting its color and grain.

THIS WARRANTY IS THE EXCLUSIVE WARRANTY OF DIAMOND CABINETRY AND IS IN LIEU OF AND DIAMOND CABINETRY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

This warranty gives you specific legal rights and you may have other rights, which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

To obtain replacement(s) under this limited warranty, first contact your authorized Schrock Cabinetry dealer or distributor, who will arrange for inspection of the cabinet.
